

MCKNIGHT ROAD NATURAL GAS PROJECT

WORK STARTING NEAR YOU SOON

OVERVIEW

We're replacing 2.8 miles of natural gas line along Highway 10 in the City of St. Paul. Work in this area will begin soon and continue through 2025. New natural gas lines will be placed along:

- McKnight Road between Linwood Avenue and Carver Avenue
- Carver Avenue between McKnight Road and Point Douglas Road
- Point Douglas Road
- Matterhorn Lane
- Dahl Avenue, east of McKnight Road
- Burlington Road between McKnight Road and Springside Drive
- Springside Drive

This work allows us to continue providing safe, reliable service.

WHAT TO EXPECT

- Equipment, crews and materials.
- Road, lanes and sidewalk closures.
- Access changes.
- Noise.

Service interruptions may be required in some circumstances. You will be notified if an outage becomes necessary.

SAFETY

Public safety is at the foundation of all we do. The safety of the public around Xcel Energy's natural gas system influences every decision that we make throughout a project. We take a proactive approach to safety by implementing multiple safety measures before, during and after construction. If you ever suspect a natural gas leak, leave your home or business immediately. Once safely away, call 911, then Xcel Energy at 1-800-895-2999.
